OFFICE OF PETITIONS

In re Application of	:	
Kim, et al.	:	
Application No. 10/713,943	:	DECISION
Filed/Deposited: 14 November, 2003	:	
Attorney Docket No. 2013P125	:	

This is a decision on the petition filed on 7 May, 2009, considered as a petition under 37 C.F.R. §1.181 (no fee) requesting withdrawal of the holding of abandonment in the above-identified application.

The petition under 37 C.F.R. §1.181 is **DISMISSED**.

Any request for reconsideration of this decision or any petition in the alternative is to be filed **within two (2) months** from the mail date of this decision. *Note* 37 C.F.R. §1.181(f). The request for reconsideration should include a cover letter and be entitled as a “Renewed Petition under 37 C.F.R. §1.181 to Withdraw the Holding of Abandonment.”

This is **not** a final agency action within the meaning of 5 U.S.C. §704.

It appears that Petitioner’s only alternative may be to file a petition (with fee) pursuant to 37 C.F.R. §1.137(b) with a reply and statement of unintentional delay.

**As to the Request to Withdraw
the Holding of Abandonment**

Petitioner is directed to the Commentary at MPEP §711.03(c)(I) for guidance as to the proper showing and timeliness requirements for relief under 37 C.F.R. §1.181.

Petitioner appears not to comply with the guidance in the Commentary at MPEP §711.03(c)(I)—as discussed below, Petitioner has failed to satisfy the showing requirements set forth there. Petitioner may find it beneficial to review that material and move step-wise through that

guidance in the effort to satisfy the showing requirements (statements and supporting documentation).

BACKGROUND

The record reflects as follows:

Petitioner failed to reply timely and properly to the Notice of Allowance and Fees Due mailed on 3 December, 2008, with reply due under a non-extendable deadline on or before 3 March, 2009.

The application went abandoned by operation of law after midnight 3 March, 2009.

The Office mailed the Notice of Abandonment on 31 March, 2009.

On 7 May, 2009, Petitioner filed, *inter alia*, a petition pursuant to 37 C.F.R. §1.181 and an averment of non-receipt, but failed to comply with the requirements expressly set forth in the guidance in the Commentary at MPEP §711.03(c)(I) requiring:

- a copy of the firm due-date docket/calendar and a copy of the docket sheet (or file jacket cover) for the instant application and;
- recitations as to a statement of non-receipt “at the correspondence address of record,” a statement of search of the file and non-discovery, a description of the docketing system, a statement of system reliability, and such requirements as set forth in the guidance in the Commentary at MPEP 711.03(c)(I).

The guidance in the Commentary at MPEP 711.03(c)(I) provides in pertinent part:

The showing required to establish nonreceipt of an Office communication must include a statement from the practitioner describing the system used for recording an Office action received at the correspondence address of record with the USPTO. The statement should establish that the docketing system is sufficiently reliable. It is expected that the record would include, but not be limited to, the application number, attorney docket number, the mail date of the Office action and the due date for the response.

Practitioner must state that the Office action was not received at the correspondence address of record, and that a search of the practitioner's record(s), including any file jacket or the equivalent, and the application contents, indicates that the Office action was not received. A copy of the record(s) used by the practitioner where the non-received Office action would have been entered had it been received is required.

A copy of the practitioner's record(s) required to show non-receipt of the Office action should include the master docket for the firm. That is, if a three month period for reply was set in the nonreceived Office action, a copy of the master docket report showing all replies docketed for a date three months from the mail date of the nonreceived Office action must be submitted as documentary proof of nonreceipt of the Office action. If no such master docket exists, the practitioner should so state and provide other evidence such as, but not limited to, the following: the application file jacket; incoming mail log; calendar; reminder system; or the individual docket record for the application in question.¹

Out of an abundance of caution, Petitioners always are reminded that the filing of a petition under 37 C.F.R. §1.181 does not toll any periods that may be running any action by the Office and a petition seeking relief under the regulation must be filed within two (2) months of the act complained of (*see*: 37 C.F.R. §1.181(f)), and those registered to practice and all others who make representations before the Office are reminded to inquire into the underlying facts of representations made to the Office and support averments with the appropriate documentation—since all owe to the Office the continuing duty to disclose.²

Petitioner is requested to review the requirements as set forth in the guidance in the Commentary at MPEP 711.03(c)(I), and then seek to satisfy those requirements. Alternatively, Petitioner may file a petition to revive pursuant to the regulations at 37 C.F.R. §1.137(b).

The availability of applications and application papers online to applicants/practitioners who diligently associate their Customer Number with the respective application(s) now provides an applicant/practitioner on-demand information as to events/transactions in an application.

STATUTES, REGULATIONS

Congress has authorized the Commissioner to "revive an application if the delay is shown to the satisfaction of the Commissioner to have been "unavoidable." 35 U.S.C. §133 (1994).

Allegations as to the Request to Withdraw the Holding of Abandonment

The guidance in the Commentary at MPEP §711.03(c)(I) specifies the showing required and how it is to be made and supported.

¹ See: MPEP §711.03(c)(I)(A).

² See supplement of 17 June, 1999. The Patent and Trademark Office is relying on Petitioner's duty of candor and good faith and accepting a statement made by Petitioner. See Changes to Patent Practice and Procedure, 62 Fed. Reg. at 53160 and 53178, 1203 Off. Gaz. Pat. Office at 88 and 103 (responses to comments 64 and 109)(applicant obligated under 37 C.F.R. §10.18 to inquire into the underlying facts and circumstances when providing statements to the Patent and Trademark Office).

Petitioner appears not to have made the showing required.

CONCLUSION

Accordingly, The petition under 37 C.F.R. §1.181 is **dismissed**.

ALTERNATIVE VENUE

Should Petitioner wish to revive the application, Petitioner may wish to properly file a petition to the Commissioner requesting revival of an application abandoned due to unintentional delay under 37 C.F.R. §1.137(b). (See:

http://www.uspto.gov/web/offices/pac/mpep/documents/0700_711_03_c.htm#sect711.03c)

A petition to revive on the grounds of unintentional delay must be filed promptly and such petition must be accompanied by the reply, the petition fee, a terminal disclaimer and fee where appropriate and a statement that “the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition was unintentional.” (The statement is in the form available online.)
